HADDENHAM VILLAGE SOCIETY

Welcome to another Community Fair, hosted by the Village Society. This is the fourth such event, designed to provide an opportunity for a broad range of local clubs, societies and service providers to showcase their activities and recruit new members.

We hope that the many new residents especially, but also long-established members of the Haddenham community, will discover activities and services that were previously unknown to them - and take steps to engage in a new activity or pastime as a result.

Joining a local club or society is a great way to make new friends and be part of the activities that help build a richer sense of community.

Please keep this booklet as a useful source of reference. If a particular activity or service need is not listed, we recommend that you try the search function on the community website, where an even wider listing of local organisations is maintained. See www.haddenham.net

To know more about Haddenham Village Society, please pick up a copy of our leaflet here today or visit our dedicated website at www.villagesociety.org

Blooming Fruity

Haddenham's very own community-owned greengrocer, after the village came together to ensure this well-loved institution would continue to be a key part of our shopping parade. The share issue attracted investment from over 260 people, raising enough to take over the shop and further develop the business. We will continue to offer high-quality produce at reasonable prices, locally sourced where possible, and with the same friendly, personal service. As a community benefit society, any profits not used to pay shareholder interest or reinvested into the business will be put towards community projects.

Haddenham Horticultural Society (HHS)

If you are interested in growing your own flowers or vegetables, or have a general interest in country crafts and/or the natural world, this is the club for you. Membership costs just £4 per year, covering all family members living at the same address.

We organise talks on varied subjects – not just related to horticulture – one or two coach outings a year, and several car share visits to nearby gardens or places of interest. We run a plant sale and small show each April.

Our main show in September offers classes for vegetables, fruit, flowers, cacti and succulents, floral art, domestic items (preserves, baking and bread), beer and wine, art, crafts and photography, plus a wide range of children's classes.

All members receive two newsletters a year plus a yearbook which includes the schedules for our shows and other items of interest.

Members get a 5% discount on plants at Preston Bissett Nurseries, and may purchase composts and other horticultural goods and sundries, at very competitive prices, from the Aylesbury Gardening Society's Thurston Trading Store upon payment of £2.00 to become an "associate member". They can also buy seeds and some plants and sundries through HHS at a considerable saving on normal prices, often around 25-30%.

We also hold a Garden Reduced Price Entry Card, admitting one HHS member and a guest to RHS Gardens for 50% less than the general public rates.

Haddenham Parish Council

Haddenham Parish Council: what are we, what do we do, and what are our challenges?

- We are the lowest rung of local government, and the longest serving with records going back to 1894.
- Our budget of around £500,000 accounts for around 7.5% of Council Tax.
- We have 11 elected, unpaid Parish Councillors, and 4 paid staff; full-time Clerk and Facilities Manager and part-time Deputy Clerk and Assistant Clerk.
- Parish Council meetings are held every 3 weeks on a Monday evening, with a Planning meeting followed by a full Council meeting or one of the other standing committees. All meetings are now hybrid and open to the public to join in person or remotely, with time set aside for participation.
- We own and/or manage a variety of assets including street lights, playing fields, pavilions, play areas, village greens, ponds, and allotments.
- We are the sole trustee of the Banks Park Recreation Ground Charity which owns the land at Banks Park, and leases its various facilities (the village hall, community library, scouts and guides, dentist, and FITLIFE gym).

- We are consulted on and respond to all planning applications (around 100 a year), and to forward plans affecting our village.
- We channel grants from outside sources to local bodies like the library and safe walking & cycling; we also give education grants through Haddenham Educational Charity.
- Our current business plan priorities include:
 - a) dealing with the impact of being a “strategic settlement” due to grow by 50% (1000 homes) in the next few years, which amongst other things will see the transfer to us of extensive new sports and recreation facilities
 - b) adopting a planned approach to managing our assets - knowing what we have, what condition it is in, and having the reserves to repair and replace in a planned rather than reactive way
 - c) modernising our systems and procedures to make us match-fit to take on new responsibilities

If you are interested in any of the work we do and would like to get involved please contact Sue Gilbert, Parish Clerk (clerk@haddenham-bucks-pc.gov.uk / 01844 292411).

Haddenham Safe Walking and Cycling Group

A focus of Haddenham Safe Walking and Cycling group is bringing about an all-weather, off-road path between Haddenham and Thame. Over time, we have discovered and influenced many more opportunities to make local walking, wheeling and cycling more practical and attractive.

It is well-proven that 'active travel' is good for our mind and body, let alone our wallet and the planet; it is the only way the young and non-car-owners can get around independently. So, what's not to like?

Sign-up to keep informed of

- progress on the Haddenham and Thame Greenway, and ways you can make sure this happens, and
- other projects we are working on to enhance your local walking, wheeling and cycling opportunities.

Finally, let us know if you would like to join us on the projects we are undertaking!
